

## ***Bankrupt & Deceased Debt Acquisitions***

# **Locate & Liquidate Scrubbing Service**

Identify and Sell your Bankrupt & Deceased Accounts

Our service allows your company to effectively locate and liquidate its bankrupt and deceased accounts. This is achieved via the process of transferring your inventory to our secure database. These accounts are then scrubbed on a periodic basis to identify the bankrupt & deceased accounts. The rates for which we purchase these accounts are predetermined and after we identify these accounts, you will receive the results and a PSA for the eligible accounts that will be sold. There is no set-up fee or start up cost and you can receive money for your bankrupt and deceased accounts within days.

**1.)** Your Accounts are uploaded to our secure server

**2.)** Scrub: Every 30-60 days we identify your BK and DE accounts

**3.)** Results are returned to customer along with PSA and a wire transfer to follow.

**The easiest bankruptcy and deceased debt identification and liquidation process in the industry**
